

YIHAN DU

yihandu@illinois.edu \diamond <https://yihandu.github.io>

RESEARCH INTERESTS

Machine learning, with emphases on online learning (in particular, multi-armed bandit), reinforcement learning and representation learning.

EMPLOYMENT

University of Illinois at Urbana-Champaign
Department of Electrical and Computer Engineering
Postdoctoral Researcher

August 2023 - Present

Advisor: Prof. R. Srikant (IEEE Fellow)

EDUCATION

Tsinghua University *September 2018 - June 2023*
Institute for Interdisciplinary Information Sciences (headed by Prof. Andrew Chi-Chih Yao)
Ph.D. in Computer Science
Dissertation: Risk-aware and Efficient Online Decision Making (**Tsinghua Outstanding Doctoral Dissertation Award**)
Advisor: Prof. Longbo Huang

Xiamen University
B.E. in Computer Science

September 2014 - June 2018
Rank: 3/93

VISIT & INTERNSHIP

Cornell University
Visiting Ph.D. student (in-person)
Supervisor: Prof. Wen Sun

September 2022 - December 2022
Research topic: reinforcement learning

Microsoft Research Asia
Research intern
Supervisor: Dr. Wei Chen (IEEE Fellow, Director of MSR Asia Theory Center)

January 2020 - May 2020
Research topic: online learning

PUBLICATIONS

INVITED TALKS

“Risk-aware Online Decision Making,” TrustML Young Scientist Seminar, RIKEN AIP *May 2023*

“Risk-aware Online Decision Making,” MLOPT Idea Seminar, UW-Madison *April 2023*

“Optimal Experimental Design in Linear Bandit,” Bandit Algorithm Seminar, Yau Mathematical Sciences Center (YMSC), Tsinghua University *November 2022*

“Combinatorial Pure Exploration for Dueling Bandit,” China Computer Federation (CCF) Doctoral Forum in Theoretical Computer Science (only 18 Ph.D. students in theoretical computer science are invited nationwide) *June 2021*

ACADEMIC SERVICE & ACTIVITIES

Program Committee Member/Reviewer

Conference: ICML 2021-2023, NeurIPS 2021-2023, ICLR 2022-2024

Journal: Transactions on Pattern Analysis and Machine Intelligence (TPAMI), Journal of Machine Learning Research (JMLR), Transactions on Networking (ToN), Transactions on Machine Learning Research (TMLR), Transactions on Network Science and Engineering (TNSE)

Teaching Assistant

Stochastic Network Optimization, graduate course (IIS, Tsinghua University) *Spring 2021*

Introduction to Computer Science, undergraduate course (Yao Class, Tsinghua University) *Fall 2019*

Social Activity

President of Graduate Union at IIS, Tsinghua University *June 2020 - June 2021*

SELECTED AWARDS

Tsinghua Outstanding Doctoral Dissertation Award, by Tsinghua University (the only recipient among CS graduates at IIS, Tsinghua University in 2023) *June 2023*

Beijing Outstanding Graduate, by Beijing Municipal Education Commission (the only recipient among CS graduates at IIS, Tsinghua University in 2023) *June 2023*

China National Scholarship for Ph.D. Students, by Ministry of Education of China (the only recipient among CS students at IIS, Tsinghua University in 2022) *October 2022*

Toyota Scholarship, by Toyota and Tsinghua University *October 2021*

Huawei Academic Excellence Scholarship, by Huawei and Tsinghua University *October 2020*

Wuqing Talent Scholarship, by Wuqing District Government and Tsinghua University *October 2020*

Outstanding Graduate, by Xiamen University *June 2018*
